### Job Description

**Mission Statement**

We in Milford Care Centre as a Little Company of Mary Health Care Facility aim to provide the highest quality of care to patients or residents, family and friends, both in the areas of palliative care and services to the older person, as envisaged by Venerable Mary Potter.

We strive to live our core values:

- **Justice**: To be rooted in integrity, honesty and fairness in all that we do.
- **Compassion**: To seek to understand and to care for all with compassion.
- **Respect**: To treat each person as a unique and valued individual.
- **Communication**: To be open, honest and sensitive in all our communications.
- **Accountability**: To provide a professional service that uses resources economically, efficiently and effectively.

**PURPOSE OF THE POST**

To work in conjunction with the Occupational Therapist Manager in ensuring the co-ordination, development and delivery of a quality, client centred Occupational Therapy Service to meet the needs of the service user group and the objectives of the organisation.

The Senior Occupational Therapist will be responsible for the provision of an effective, efficient, person-centred service that is evidence-based and in line with standards of occupational therapy practice in a designated area and will carry out clinical and educational duties as assigned by the Occupational Therapist Manager.

**GENERAL PURPOSE OF THE POST**

The post holder will contribute to the effective delivery of the full range of services to all client groups in Milford Care Centre and their carers, in conjunction with departmental colleagues, members of the multidisciplinary team and community services.
Job Description

Principal Duties and Responsibilities

The Senior Occupational Therapist will:

- Be responsible for the maintenance of standards of practice of self and staff appointed to clinical / designated area(s)
- Ensure that clinical practice is in line with Milford Care Centre admission and discharge policies
- Be responsible for the day-to-day running of a designated service area(s) by management of self, supervising staff, prioritising and allocating work and promoting positive staff morale and team working in conjunction with the Occupational Therapist Manager
- Be responsible for managing own caseload and for assessment, planning, implementation and evaluation of treatment programmes for service users according to service standards
- Collaborate with service users, family, carers and other staff in treatment planning/implementation to ensure that an optimum service is provided for all service users
- Provide a service in varied locations in line with local policy/guidelines and within appropriate time allocation (e.g. department, off site clinical areas, home visits)
- Ensure the quality of documentation of all assessments, treatment plans, progress notes, reports and discharge summaries are in accordance with local service and professional standards
- Communicate verbally and / or in writing results of assessments, treatment / intervention programmes and recommendations to the team and relevant others in accordance with service policy
- Actively participate in an effective therapeutic and professional manner in teams, communicating and working in co-operation with other team members within Milford care centre, community services and voluntary agencies in providing an integrated quality service for the service user
- Foster and maintain professional working relationships with colleagues, front line managers, and other healthcare personnel in the team
- Attend clinics, review meetings, team meetings, case conferences, ward rounds etc. as designated by Occupational Therapist Manager
- Ensure that staff in the designated service area(s) arrange and carry out duties in a timely manner, within settings appropriate to service user’s needs, and in line with local policy/guidelines and professional standards of practice
- Be responsible for adhering to existing standards and protocols and for the development and maintenance of standards / strategies for quality improvement and outcome measurement
- Seek advice and assistance with any assigned duties in line with principles of evidence based practice and clinical governance
